ORDER:

The Project Director, Tamil Nadu Health System Reform Program has informed that Tamil Nadu Health System Reform Program is a World Bank supported project implemented by Department of Health and Family Welfare (DoH&FW) of Tamil Nadu Government on Program for Results (P for R) basis. The program claims at achieving SDG 3 target by ensuring health lives and promising wellbeing for all at all ages in Tamil Nadu. The total budget of the program is 287 million US\$ over a period of 5 years which will supplement the overall budget of Government of Tamil Nadu in Health Department of 4,990 million US\$ in next 5 years to achieve the results. The loan agreement was signed on 04.06.2019 and the effectiveness date is declared as 29.07.2019. The Administrative Sanction of the project was accorded in the Government Order first read above. The goal of the Project is to improve quality of care, strengthen management of non-communicable diseases and injuries, and reduce inequities in reproductive and child health services in Tamil Nadu. The project is being implemented and the first-year activity carried out from July 2019 to March 2020. In first year, all the disbursement linked results were achieved and disbursement claimed to the World Bank of USD 5,20,23,500 and the

budget allotted for the first year activity was sanctioned in the Government Order second read above.

2. The Project Director, Tamil Nadu Health System Reform Program has forwarded the proposal approved by the State Empowered Committee headed by the Chief Secretary towards sanction of Additional budget for hiring a Consultancy Firm to conduct a constraint study on Reproductive and Child Health (RCH) Services in 9 priority districts as detailed below:-

The Disbursement Linked Indicator is to conduct a Household Survey to establish increased utilization of RCH services in 9 priority districts, it was suggested to conduct a constraint study in the priority districts to identify the supply and demand side barriers to strengthen the utilization of RCH services. The 9 priority districts have been identified based on the National Family Health Survey (NFHS) 4 survey namely Ariyalur, Ramanathapuram, Theni, Thoothukudi, Tirunelveli, Virudhunagar which constitute the bottom quintile of Reproductive and Child Health (RCH) indicators and Dharmapuri, The Nilgiris, Tiruvannamalai which have a relatively large proportion of ST population with the cost as detailed below:

Activity	Recurrent Cost (RS. Crores)	Non-Recurrent cost (RS.)	Total (Rs.)
Hiring a consultancy firm for Constraint Study	-	32,20,000	32,20,000
Total		32,20,000	32,20,000

3. The Project Director, Tamil Nadu Health System Reform Program has therefore requested the Government to issue orders to sanction additional budget for hiring a consultancy firm to conduct the Constraint Study and Rs.32,20,000/- and also to permit him to utilize the fund for hiring the consultancy firm with the approval of the State Empowered Committee.
